

# CALIFORNIA LUTHERAN HIGH SCHOOL GRADE SCHOOL BASKETBALL CAMP

---

**Dates:** June 13-19, 2010  
**For:** Any student entering grades 5-9

## **PURPOSE:**

This is a low-cost basketball camp that is offered to all students entering grades 5-9. It is an opportunity to hone the basketball skills that are often neglected during the summer months.

## **WHAT MAKES OUR CAMP DIFFERENT:**

The key element to the CLHS Basketball Camp is that all instruction and encouragement is Christ-centered. Campers will be reminded that all of their gifts and abilities come from God, and it is up to each one of them to use them to the best of their ability. Each day will begin with devotion, and prayers will be lead by the camp directors.

## **PROGRAM:**

All campers will be taught the fundamentals of basketball: dribbling, shooting, passing, etc. They will also be given quality instruction on offensive and defensive strategies from the CLHS coaching staff. All attendees will gain basketball, teamwork and life skills that will prove to be valuable well beyond their week on campus.
